APPLICATION AGREEMENT STATEMENT

I have read the above information carefully and have filled out this application honestly. I understand that omission of information and/or failure to answer all questions and sign the application can result in this application being declined. Also, if an omission or untruth is discovered after an adoption takes place, I understand and accept that NCARF has the right to annul the adoption and reclaim the animal.

I give NCARF permission to fully investigate the information provided as well as contacting my veterinarian and landlord (if applicable). If the application passes this review, I agree to a home and yard visit on a mutually agreed date by a NCARF volunteer before an adoption decision is made.

Furthermore, I understand and accept that the adoption decision depends upon many factors, including, but not limited to, the compatibility of the family home to the individual animal and other applications received on the animal. I understand and accept that it is NCARF's prerogative to decide which home is most appropriate for the individual animal, and therefore I will not take issue with the decision.

I have read and agree with the statement
